I look forward to a great class where we will learn all about:

- Clothing Terminology
- Basic Clothing Design Details
- History of Fashion
- Fashion Capitals
- Specific Fashion Designer Details
- Principles (rules) and Elements (tools) of Design
- Color
- Textiles and their use in Fashion
- Consumer and purchasing strategies
- Identify Fashion Related Careers
- Personal Fashion Characteristics

We will be creating a Fashion Portfolio to accomplish all of these learning goals.

For the projects to be completed in this class each student will need to provide:

Projects	Supplies needed	Due Date
1- Portfolio	1 inch black binder	8/21/2017
2- Portfolio Collage	1-2 Magazines	8/25/2017

Students have used the following: People StyleWatch, any Bridal magazine, OK, US weekly, store catalogs it doesn't need to be fashion specific.

Many "Fashion Specific" magazines have questionable content and articles. Please use good judgement when choosing a magazine for class. You will be using the pictures of clothing and accessories for your assignment so any magazine or catalog that has pictures of clothing and accessories will work.

Rules and Procedures

1. I LOVE DUE DATES AND PREPARED STUDENTS

- a. All assignments and projects are due on the due date.
- b. If your assignment is not all the way complete hand in what is done. It is better to receive some points than none at all.
- c. You will never receive full credit on late work 😊

2. HALL PASSES ARE NICE

- a. Each student will be given 3 hall passes at the beginning of each quarter when their disclosure is returned.
- b. A hall pass can be used with my permission. When all the hall passes are used up, so are the extra privileges.
- c. At the end of each quarter, unused hall pass can be turned in for extra credit. (5 points each)

3. HAPPY PEOPLE ARE FUN TO TEACH

- a. I love to teach students who know how to demonstrate respect.
- b. When I'm talking you should not be talking to your friend or figuring out how to text your friend without me catching you.
- c. Cell-phones will be taken away if I see them and be put in cell phone jail, or given to the office.

4. MAKE SMART CHOICES

- a. Use all equipment with safety.
- b. Be a team player.
- c. Take pride in your projects
- d. Choose to learn something every day.
- e. Bring your BEST every day! Best Effort! Best Attitude! Best Work!

5. GVC's MATTER

- a. GVC stands for Guaranteed Viable Curriculum. These are the specific learning targets for my classes.
- b. I communicate how we accomplish GVC's via Instagram, email, and website. Pictures of your students and/or their projects may appear online via sources listed above. **By signing this disclosure parents are giving the teacher permission to post with discretion.**

If you have any questions or concerns please feel free to contact me. I'm looking forward to a great year.
