WARDROBE PLANNING

Fashion Project

Instructions: Create a presentation for a wardrobe that reflects your personal style and includes the 8 basic and 6 trendy apparel items.

Steps

1. Create your own wardrobe using the 8 basic and 6 trendy apparel items that work for your personal fashion style. Use the internet for photos of your dream personal wardrobe.
In case you forgot –

<u>Classic pieces</u>	<u>Trendy Additions</u>
Long sleeve T-shirt	Woven shirt
Short sleeve T-shirt	Skirt / Another pair of pants for boys
Tank top	Patterned jeans
Button down shirt (tailored)	Dressy jacket
Lightweight cardigan	Casual jacket
Jeans	Patterned scarf
Dress pants	
Little black dress / Suit for Boys	

2. Create a presentation that shows the 14 individual pieces and a minimum of 10 outfit combinations.
3. Slide One - Title it Personal Wardrobe and put your name,
Slide Two - Pictures of all 8 Classic Clothing pieces
Slide Three - Pictures of all 6 Trendy Clothing pieces
Slides Four through Thirteen create outfits with the pictures of the clothing you chose for your wardrobe.
4. You may include accessories and shoes but these do not count as part of the assigned 14 apparel items.

Name _____

Designing your own Fashion Clothing Line

What kind of clothing line will you create?

What kind of store will carry your clothing line?

What will be the name of your clothing line?

Design your Hang tag here: (draw and color)

Create 4-6 catwalk ready outfits stylized and ready for the runway.
